Re: Claim No.: 011142 Amount: \$396.48

IN RE: Case No. 98-02676-5-ATS

INTERNATIONAL HERITAGE, INC.

Debtor Chapter 7

This letter is written as official objection to being denied in this proceeding; and as a formal request for a hearing in this matter.

The fact that you have my information indicates that it has already been established that I did indeed pay the amount of \$396.48 to initiate an investment with INTERNATIONAL HERITAGE, INC. and was told that at a later date I could invest more with this company.

Since this was an investment, from which I believed I would receive addition benefits, I feel that I should be considered for a refund of the entire \$396.48 plus any interest that my money may have accrued since the initial investment.

Therefore, I should not be denied my full initial investment amount; along with any profits that the INTERNATIONAL HERITAGE, INC. enjoyed over the years since the investment was made.

Your favorable consideration of this matter is greatly appreciated.

Sincerely,

Bernard Rice
